MEMORANDUM FOR: Major General Arthur G. Trudeau *card*
Assistant Chief of Staff, G-2
Department of the Army

SUBJECT: Intelligence Corps, Army G-2

1. Some weeks ago Mr. Rupert W. Guenther visited Mr. Harrison G. Reynolds, CIA Director of Personnel, and discussed with him certain problems relating to the management of civilian intelligence personnel. In the course of the discussion Mr. Guenther explained that G-2 is exploring the possibility of creating a corps of civilian intelligence officers, some to be assigned to headquarters and some to be used overseas.

2. I should be most interested to know how the plan is developing and something of the broad concepts you have in mind regarding the utilization of such an intelligence corps.
